

You can make a difference in the life of a Lakewood child right now!

“Adopt a Musician!”

The Lakewood Music Department is trying to gather 250 sponsors who are willing to donate \$30.00 each so that any 5th grader can have the opportunity to learn a musical instrument.

Recently, two graduates of the Lakewood High School Music Department were given full scholarships to college because of their ability to play their instruments. These proud musicians will be the first members of their families to attend college. Your donation may change another student's life direction.

Your \$30.00 sponsorship will cover the pay to participate fee for one student to begin the instrument of their choice in 5th grade. Last year, we started 250 students in both Band and Orchestra in the 5th grade. The Lakewood Music Boosters have been assisting with scholarships, and they are committed to continuing to assist.

The goal is to gather enough sponsors to begin the 2010-2011 school year so that every child who wants to learn an instrument has the opportunity.
